

How to Find a Provider

Go to www.bcbsok.com and click the turquoise "Find a Doctor or Hospital"

The screenshot shows the top navigation bar with links: Home, Insurance Basics, Shop Plans & Products, Find a Doctor or Hospital, Member Services, and Log In. Below the navigation bar, there are several promotional tiles. A prominent turquoise tile on the right says "Find a Doctor or Hospital" with a red arrow pointing to it. Other tiles include "2018 Special Enrollment", "View Prescription Drug Plan Details", "Control Costs with SmartER Care", "How to Make a Payment", "Understanding Health Insurance Costs", "Medicare", and "Attend a Seminar".

If you have a BlueAccess for Member's account set up you can log in here to pull up your specific plan information when searching for a provider. Or you can Search as a Guest to search all networks.

The screenshot shows the "Find a Doctor or Hospital" search page. On the left, there is a sidebar with "FIND A DOCTOR OR HOSPITAL" and links for "Know Your Network", "Tips to Find a Doctor or Hospital", "Blue Distinction® Specialty Care", and "Virtual Visits". Below that is a "Quick Links" section with "Get a Quote", "Where You Go Matters", and "Why Choose Us". The main content area has the heading "Find a Doctor or Hospital" and a search description. Below the heading are two columns: "Are You a Member?" and "Not a Member Yet?". The "Are You a Member?" column lists benefits like "Uncover potential savings", "Make informed decisions", and "Know you're covered", and includes a login form with "Username", "Password", and "Member Login" buttons. The "Not a Member Yet?" column explains that guests can still search and includes a "Search as Guest" button. Red arrows point to the "Username" field and the "Search as Guest" button.

If you Search as a Guest, click on “Search All Providers”
