Oklahoma State University

Foundation, Inc.

The Bulldog Angels Fund was established in 2014 to benefit SWOSU students in times of crisis. It is meant to be a vital resource when all other options for assistance are exhausted or unavailable; indeed, the Bulldog Angels Fund may mean the difference in a student being able to continue learning at SWOSU, or having to leave the campus due to external financial pressures.

The attached application should be completed by any student who is seeking relief from the fund, and may be returned to Burton House or to any of the offices listed below. It is important to note that application to the fund does not guarantee an award. Also, please note that a student may only receive the Bulldog Angels Fund award once during his/her time at SWOSU, and that the current maximum award amount is \$1000.00.

**Applications may be delivered to any of the following SWOSU personnel:**

- Dean of Students, Stafford Center 214
- Foundation Executive Director, Burton House
- Counseling Services, Wellness 146
- (Sayre Campus) Dean, Administration Building 103
