Return to the Office of the Dean of Students. Each campus organization should file a Campus Organization Information Report **annually at the beginning of the fall semester**. If there is a change of officers, sponsors, etc. during the school year, a corrected report should be filed. The purpose of this report is to insure the maintenance of a current organizational file on all approved organizations on the campus of SWOSU. It also allows the club to be listed on SWOSU insurance.

**Receipt of this form, by October 1, assures your clubs participation in the allocations process.**
