Dear Men,

Southwestern Oklahoma State University's Fraternities would like to invite you to "2018 Fall Rush" August 20-25. The pre-reg form is included with this letter and you will get detailed information if you pre-register.

Joining a fraternity is a great way to meet new people and develop lifelong friendships that will benefit you socially and professionally. There are two social fraternities at SWOSU. They are Phi Delta Theta and Tau Kappa Epsilon. Each fraternity offers a unique experience and brotherhood. Together they strive to promote Greek life and involvement on campus. Fraternity information night is August 20th at 8:00 pm in the Student Union Memorial Ballroom.

Attached with this letter, you will also find a copy of the pre-registration form. This form is in no way an obligation to rush. However, if you are interested, please fill it out and return to designated address. For questions or more information, please contact:

Phi Delta Theta – President Boone Walker walkerjb@student.swosu.edu

Tau Kappa Epsilon – President Chris Tyrone tyronec@student.swosu.edu

Sincerely,

SWOSU Fraternities
